An Invitation

WE ARE PLANNING FOR YOU TO BE OUR GUESTS AT THE 16TH HAWKEYE DOWNS SHORTHORN AND THE SILVER ANNIVERSARY

HAWKEYE DOWNS POLLED SHORTHORN SALES AT HAWKEYE DOWNS FAIRGROUNDS CEDAR RAPIDS IOWA

SATURDAY, MARCH 18th, 1961
SHOW AT 8:30 A. M. SALE AT 11:45 A. M. SHARP

18 SHORTHORN AND 18 POLLED SHORTHORN BREEDERS PRESENT

53 Bulls - 34 Females, including 10 club heifers

SHORTHORNS:

3 Tried Sires - 21 Bulls Calved In 1959 - 4 Bulls In 1960
10 Bred Heifers - 10 Open Heifers Including 6 1960 Club Heifers

POLLED SHORTHORNS:

5 Good Tried Sires - 18 Bulls Of 1959 - 2 Bulls Of 1960
1 Cow With Bull Calf At Foot And Rebred - 8 Bred Females
5 Open Heifers Including 4 1960 Club Heifers

Thus you can find tried sires or younger bulls that are especially ready for heavy service as well as females that are close to calving or heifers where you can use your own herd bull - thus, we have cattle for almost any need.

Our Hawkeye Downs Polled Shorthorn sales started in 1946 and Hawkeye Downs Shorthorn sales started in 1953. We have a sale or sales every March and September. We have separate sales if we have 50 head or more available for each sale. Otherwise we have separate sales in a joint event, thus providing prospective buyers opportunities to purchase what they may desire.

The Hawkeye Downs sales accommodate breeders in Iowa, and nearby areas in Minnesota, Wisconsin, Illinois and Missouri. You will note that we are offering good cattle from the first four states just named.

Bull buyers are getting out early this year as 5 bulls that were listed for this sale have been sold privately before the catalog was prepared as of January 18th.

This sale manager attended the Shorthorn sale at Perth, Scotland last October 12th to study their methods of managing a sale. We found only the auctioneer on the block and without ringmen. He sold 158 lots in exactly three hours or an average of 1 minute 9 seconds per lot. At our last two Hawkeye Downs sales we averaged a lot sold in 2 minutes 36 seconds.

The consignor stands near the auction block and rarely says a word. He has the privilege of withdrawing the animal from the sale if he thinks the price isn't sufficiently high. Our consignors have that same privilege of withdrawal thru the auctioneer, but is seldom used.

Please come to inspect these fine cattle when being shown and fill your needs. We believe that we can satisfy you.

EARL S. GIRTON, Sale Manager
Box 321, Marshalltown, Iowa

PLEASE BRING THIS CATALOG TO THE SALE WITH YOU.

Catalog Lithographed By MWM Color Press, Aurora, Mo.

PLEASE NOTE: We will have a dinner meeting at 6:30 the evening of March 17th at Bishops Cafeteria in Cedar Rapids. Simply go thru the line and when you get to the end of the line ask; "Where is the Shorthorn Cattlemen's dining room"? They have reserved a separate dining room for us. We invite people who are interested in our kind of cattle to dine with the consignors and managers that evening. We especially invite all breeders in the Hawkeye Downs area to attend the meeting as we have some important business to discuss. I will stop at Hotel Allison, next door to Bishops the night before the sale.

International Champion Shorthorn Steers

Please keep these steers in mind in your efforts to produce market topping cattle.

Who can dispute the value of first class herd bulls? A high class breeding bull can sire calves worth from \$2.00 to \$4.00 per hundred weight over calves sired by a plain "cow freshener." It is just as true that good sires are necessary as that night follows day.

Then improve the production of your herd by selecting one of the top bulls or a few choice females in these two sales.

With 53 herd bulls and 34 females you can make the necessary choices. We present them in 87 lots for your careful consideration.

EDELLYN CZAR - If you are looking for a good proven breeding bull, don't overlook this bull. He has proven his worth in our herd. We are offering him for sale only because we are keeping most of his daughters in our herd, and our herd is too small to support two bulls. We have two crops of calves by him and the cows are rebred to him. He is a very sure breeder, sound in every way - and just in good breeding condition. This will be one of the last chances to buy a bull bred at Edellyn Farms. He is sired by Imp. Balbithan Emperor whose calves were the best at Edellyn when they dispersed. His dam is by Edellyn Modern Mercury who sired outstanding breeding cows. Edellyn Czar and all his calves are very smooth and have great natural flesh, and are the best feeders that I have ever fed. He is a very gentle bull. Don't overlook this bull as he has bred well for us, and I am sure he will continue to breed well for you.

GLADLON'S GOLDEN ROSE 6TH - Gladlon's Golden Rose 6th, lot 46; Gladlon's Devergoil 13th, lot 47; Gladlon's Lady Pride 8th, lot 48. These three summer heifers we are selling are an outstanding group and should remain in our herd, but our farm isn't too large and the number of cattle are growing so we must sell some. We have had some inquiries on 4-H heifers so we have decided to sell them at auction and you boys can put your own price tag on them.

Those of you who attended the early sales and who will attend this one will notice great improvement in the type and quality of the cattle. We believe that there will be still greater advancement in the years to come. We hope that all who are interested in this branch of the reds, whites and roans will be with us sale day..

V V STARRY ARCHER 6TH x - We regret very much to have to part with this wonderful dark red herd sire. We have too many of his heifers now which need to be bred. This is a polled bull with bone, substance, and fleshing that you seldom see, much less get a chance to bid on. Sired the third high polled bull in last year's test sale, the top bull over horned and polled at last spring's Hawkeye Downs Sale, as well as his 20th and 21st in this sale. A bull that has been used and shown by Harold Thieman, handled and gentle so that he is usable by anyone.

.....HAWKEYE DOWNS POLLED SHORTHORN SALES.

Earl S. & Mrs. Girton, Mrs. & Roy E. Coverdale advertised Polled Shorthorns and Shorthorns on their six and one-half weeks trip to Europe last October and November. Wherever they stopped, people asked about the cattle - whether they were breeding cattle or were the travelers the heads of a bull fighting troupe. The signs were particularly handy in sorting out luggage at airports and customs.

The party visited and received most welcome receptions at the Shorthorn herds of J. Fred Wright, Prumplestown House in Ireland and then the following twelve in Scotland in the order of their visits. James Biggar at Chapleton, R. H. Watherson at Crichton Mains, Hugh S. Black at Banchory, Captain and Mrs. G. Rutherford at Baldowrie, Lt. Col. Hardie at Ballathie, Lt. Col. and Mrs. H. L. Dewhurst at Dungarthill, Alexander Anderson at Burnton, Boots Drug at Westdrums, Sylvester Campbell at Kinellar, James Durno and Miss Mary Durno at Uppermill, Cecil and Nigel Moores at Bapton and Donald P. MacGillivray at Calrossie. Time prevented them from visiting several other leading breeders and their herds.

Other visits were made in England, Norway, Sweden, Denmark, Holland, Belgium, Germany, Switzerland and France before boarding a ship for home.

CALROSSIE MERCURY - A FAMOUS PERTH GRAND CHAMPION

The late, Mr. A. J. Marshall, Cruggleton, Scotland, one of the world's largest and best breeder of Shorthorns has been credited with saying "white should not be more than three generations away in your herd sire's pedigree."

Three of Lynnwoods famous females with the bull above make us proud of our three distinctive colors "Red, White and Roan" in our breed.
